Ph.D. Teaching & Learning

Georgia State University

Dr. Bruner has been teaching for 27 years, seven of which she spent as a theatre director at Tift County High School, and this is her second year as director for Harrison High School. For 26 years of her career, she taught Spanish. She has directed students to three region titles at one-act play competitions, including last year's *I Never Saw Another Butterfly*. Dr. Bruner performed in children's shows and musicals in college. She has also been the costume designer and publicity manager for numerous productions. She is particularly excited to present this show as it celebrates culture and diversity — the thesis of her dissertation. She would also like to extend an invitation to our audience to come to our remaining productions — *Girl in the Mirror* (last week of March), *Addams Family, the Musical* (April 21-23), and *Take A Bow* (our senior showcase on May 20th).
